

**UNIFIED CARRIER LICENCE  
TELECOMMUNICATIONS ORDINANCE (Chapter 106)**

**WTT HK LIMITED (“WTT”)**

**A15. BusinessLine – DEL+**

Effective date: 21/01/11, Revision date: 28/1/14

The Service provides an exchange line, which connects the Customer at a genuine place of business to the Network. Minimum subscription for the Service is one exchange line.

An exchange line provides the Customer access to the following telephony services:

- Incoming and outgoing access to the Network
- A directory number
- A free directory listing
- Local direct dialing
- International direct dial service (“IDD”) unless specific call barring options are invoked
- General service restoration during WTT’s Business Hours
- Emergency 999 service access

Under the Service, the following equipments can be supported:

- Basic telephone set
- Keyphone system
- Private Automatic Branch Exchange (“PABX”)

Such equipment(s), subject to Note 4 below, should be provided either by:

1. WTT, subject to the applicable tariff(s), such as Sale, Rental and Rental-to-own of Centrex Terminal Equipment, the terms and conditions; or
2. the Customer itself, subject to Note 1 below.

Subject to the applicable tariff(s), terms and conditions, the Customer subscribing to the Service may also subscribe to the following services offered by WTT:

- Call Management Service
- Call Answer Service
- 001/ 002/ 007 IDD services and IDD Call Plan, Diskette Billing and Authorization Code Billing
- WebTone Service

**Notes:**

1. The Service is subject to the Customer’s equipment meeting the relevant specifications for interoperability of its equipment and WTT’s Network. The Customer will ensure the interoperability of its equipment with WTT’s Network.
2. Relocation is applicable to all relocation requests made by the Customer, irrespective of whether the Service is relocated within or outside the Customer’s existing address of installation.
3. The Customer requesting for Reconnection of Disconnected Service must ensure that its registered name and the installation address of the Service must remain unchanged before and after the reconnection. Applications for Reconnection of Disconnected Service will not be entertained after Service has been disconnected for three (3) months or more.
4. Secondary Station provides the Customer with an additional jack point to the main station of the Service. The following Special Conditions shall apply:
  - (a) only one Secondary Station will be provided for each main station;
  - (b) the distance between the main station and the associated Secondary Station required must not exceed 20 metres;
and

- (c) the Secondary Station required must be on the same floor as the associated main station.
5. Unless otherwise stated, the Service does not support any lifeline devices and is not a basic telephone line service.

In addition to WTT's General Terms and Conditions, the following special conditions will apply to the Service:

1. The provision of the Service is subject to availability and the actual delivery time for the Service is subject to the availability of WTT Network to the installation address.
2. Minimum subscription period for the Service is 3 months unless otherwise specified in the Order Confirmation.
3. The Customer shall not use the Service for any purposes not authorized by WTT or for any purposes contravene the laws of Hong Kong and shall indemnify WTT for any losses or damages sustained.
4. Customer shall be liable for any additional charges incurred due to regulatory changes or changes in interconnection charge arrangement between WTT and other service provider(s).
