

**UNIFIED CARRIER LICENCE  
TELECOMMUNICATIONS ORDINANCE (Chapter 106)**

**WTT HK LIMITED (“WTT”)**

**A17. Revisions to BusinessLine, BusinessLine – DDI, BusinessLine – IDA, BusinessLine – Hunting, IP Connect Network Services, Interconnection Charges for External Telecommunication Services, Interconnection Charges for PMRS/PCS Operators, and Payphone Line Service**

Effective date: 4/05/11

For the purpose of the tariff notices published by WTT in relation to the Services, the term “*Public Non-Exclusive Telecommunication Service*” or “*PNETS*” shall include Class 3 Service provided under a Services-Based Operator (SBO) Licence; “*PNETS*” operators or licensees shall include Services-Based Operator (SBO) Licensees of Class 3 Service.

All other terms and conditions of the Services shall remain unchanged unless otherwise advised.

The above is subject to WTT’s General Terms and Conditions of Services as revised and published from time to time..
