WTT HK LIMITED (“WTT”)

A7. Authorization Code Billing

Effective date: 17/4/00

Authorization Code Billing (ACB) on BusinessLine-IDA/P (NI-1) allows the customer to designate a “code” to each IDD call for better accounting management.

Charges:

No. of extension number of an account to subscribe extension billing / ACB service	1-50	51-100	101-200	201-300	301-400 and above (*)
Price / Account / Month	HK\$60	HK\$100	HK\$160	HK\$240	HK\$320

*Note: For the number of extension exceeding 400 per account, additional charge of HK\$80 will be added on the tariffs of number of extension number of 301-400 in each step of 100 extension numbers.

The following Special Conditions shall apply to Extension Billing and Authorization Code Billing services:

- (a) All of the possible extension numbers for Extension Billing or Authorization Code Billing service must be registered as WTT’s IDD001/007 service.
- (b) Provisioning of the service will be subject to satisfactory network configuration.
- (c) Customer premises equipment shall be capable of sending the Calling Line Identification of each extension number to WTT’s switch for billing purpose.
