2. A minimum of 100 Centrex lines (both fax and voice) is required.
3. Lower installation rate applies for each line in a Centrex Group if the overall number of Centrex lines (fax and voice) installed by the Customer is greater than 50.
4. A lower rate applies if 50 or more Centrex lines (fax and voice) are moved to a new location at the same time.
5. The name of Customer, the nature of service and the location of service must all be the same as those immediately before the disconnection. Customers must apply to WTT for Reconnection of Service within 3 months after disconnection.
6. Change Service Charge applies where another WTT exchange line or trunk is converted to a Connect Fax Line.

(*The Optional Features under Centrex Service are not yet available for Connect Fax Service.)

E2. Fax Answering

Fax Answering is a network based feature which will be provided to Customers with WTT's BusinessLine - Fax service or Connect Fax Service. Minimum subscription period is 3 months.

Available features:

- Basic:
- Store an incoming fax if the called number is engaged or not answering.
 - Automatically deliver stored faxes to a pre-defined fax machine according to delivery schedule.
- Enhanced:
- Customer can dial into the mailbox to retrieve stored fax and personalize the mailbox.
 - Stored faxes can be automatically delivered to an alternate fax machine if delivery to the primary fax machine has failed after a number of attempts.
 - Customer can select to be notified of undelivered fax and/or receipt of new fax in the mailbox.

Charges: HK\$33.00 per month.

The following Special Conditions shall apply:

- (a) Customer must have equipment as specified by WTT for this Service.
- (b) Receipt and delivery of messages is subject to storage capacity.

E3. FaxMail Roaming service

Effective date: 24/6/98

A fax messaging service which directs incoming fax messages to a fax mailbox and notifies the Customer of receipt of fax message by call to the Customer's designated telephone number*. The Customer can dial in from any location to retrieve the stored fax message. Features include:

- * mailbox capacity of up to 40 messages, with maximum of 80 pages and 30 days storage
- * Customer can personalise the mailbox by using PIN (Personal Identification Number)

Charge: HK\$29.80 per mailbox per month

- * Message notification is provided to telephone numbers within Hong Kong only or to mobile telephone numbers with roaming access facility.

The following Special Conditions shall apply:

- (a) Customer must have equipment as specified by WTT for this Service.
- (b) Receipt and delivery of messages is subject to storage capacity.
- (c) WTT does not warrant the accuracy and completeness of the messages stored and forwarded.
