L1. Sale of Centrex Terminal Equipment

Effective date: 1/12/99

Centrex Terminal Equipment (“CTE”) is available for sale to Customers of WTT’s Centrex Service.

Charge: HK\$4,400 for each CTE. The charge includes installation.

The following Special Conditions shall apply to the sale of CTE:

- (a) CTE is sold for the sole use of the Customer and in connection with Centrex Service. The CTE is not for resale or for use with other services or products.
- (b) WTT warrants the CTE (excluding consumables) to be free from defect in workmanship and material under normal use and service for a period of 1 year from the date of purchase (“Warranty”).
- (c) During the warranty period, WTT will at its own option and cost replace and repair the CTE or any parts of the CTE except replacements and repairs caused by any of the following events:
 - (i) accident, negligence or improper use of the CTE or any part of the CTE;
 - (ii) modification, repair or alteration made to the CTE by persons not authorised by WTT;
 - (iii) removal or relocation of CTE without the approval of WTT; or
 - (iv) non compliance of the environmental conditions for the installation of the CTE.
- (d) The Warranty will be rendered invalid if:
 - (i) any alteration, modification or repair is made to the CTE without the authorisation of WTT;
 - (ii) any parts not approved by WTT have been used in connection with the CTE;
 - (iii) the serial number on the CTE have been removed, defaced or altered; or
 - (iv) the CTE is re-sold or transferred by the Customer without the written approval of WTT.
- (e) WTT shall be entitled to charge the Customer repair or replacement cost and other testing or handling charges in respect of the CTE or any part of the CTE not covered by the Warranty.
- (f) Risk of loss or damage to the CTE shall pass to the Customer on installation. Title shall not pass until full payment is received by WTT.
