SecureNet - Frame Relay Service Installation (per unit)	\$850.00

The following Special Conditions shall apply to SecureNet Services:

- (a) Customers must follow WTT's user instructions in relation to the Service and the supplied SecureNet Encryptor.
- (b) Use of SecureNet Encryptor supplied by WTT to access the Service from outside Hong Kong is subject to authorisation of importing / use of encryption devices by the relevant local authority and permission to connect the SecureNet Encryptor to the local telephone network. The Customer shall be responsible for obtaining all necessary authorisations and permissions.
- (c) When making secure international calls using the Service, access will be available only on IDD007. Customers will be liable for all international call charges incurred as invoiced by WTT.
- (d) Security effected under this Service covers only that segment of a voice or data transmission between the SecureNet Encryptor of the Customer and the Network. Under no circumstances will WTT be liable to the Customer or any other person in any way whatsoever for any communications security breaches when using the Service.
- (e) The Service requires the use of SecureNet Encryptor unit as supplied by WTT.
- (f) The minimum subscription for the Service and rental period for SecureNet Encryptor unit is 3 months.

Customised Frame Relay Services

The Service is to connect Customer's system to the wide area network (WAN) developed by Hong Kong Securities Clearing Company Limited. The Service provides Customers with high-speed access from the range of 64K to E1 with multi-location connectivity. Customers can subscribe any one of the following circuits:

- * Single physical data circuit;
- * Dual physical data circuit; or
- * Single physical data circuit with ISDN backup.

Charges for the Service are as follows:

Service/Activity	Speed	Monthly Rental (HK\$)	Installation or Relocation Charges* (HK\$)
FR Single Link	64K	\$1,700	\$2,600
FR Dual Link	64K	\$2,900	\$4,800
FR Single Link with ISDN Backup	64K	\$2,100	\$3,300
FR Single Link	128K	\$2,000	\$2,600
FR Dual Link	128K	\$3,400	\$4,800
FR Single Link with ISDN Backup	128K	\$2,400	\$3,300
FR Single Link	256K	\$3,100	\$2,600
FR Dual Link	256K	\$5,200	\$4,800
FR Single Link with ISDN Backup	256K	\$3,400	\$3,300
FR Single Link	512K	\$4,600	\$3,900
FR Dual Link	512K	\$7,900	\$7,000
FR Single Link with ISDN Backup	512K	\$5,000	\$4,500
FR Single Link	T1	\$4,800	\$3,900
FR Dual Link	T1	\$8,200	\$7,000
FR Single Link with ISDN Backup	T1	\$5,200	\$4,500
FR Single Link	E1	\$6,600	\$3,900
FR Dual Link	E1	\$11,200	\$7,000
