

**UNIFIED CARRIER LICENCE
TELECOMMUNICATIONS ORDINANCE (Chapter 106)**

WTT HK LIMITED (“WTT”)

T10. Interconnection Charges for PMRS/PCS Operators

Effective date: 1/1/99, Revision date: 22/3/99, 12/1/04, 6/8/04

10.1 PMRS/PCS operators who are directly connected to the WTT Network shall pay the following charges to WTT as applicable:

Type of Calls	Charges ^(note 6) (HK\$)
(a) Incoming external telecommunication calls terminated on PMRS/PCS network	7.3 cents (inclusive of number portability cost) per occupancy minute
(b) Outgoing external telecommunication calls originated from PMRS/PCS network	6.4 cents per occupancy minute
(c) For all local calls originated from PMRS/PCS network and transited or terminated on WTT Network, and local calls originated from WTT Network and terminated on PMRS/PCS network	6.4 cents per occupancy minute

10.2 PMRS/PCS operators who are not directly connected to the WTT Network shall pay the following charges to WTT:

Type of Calls	Charges ^(note 6) (HK\$)
- All local calls originated from PMRS/PCS network and transited or terminated on WTT Network, and local calls originated from WTT Network and terminated on PMRS/PCS network	6.4 cents per occupancy minute
- Incoming external telecommunication calls terminated on PMRS/PCS network	6.66 cents per occupancy minute (inclusive of number portability cost)
- Outgoing external telecommunication calls originated from PMRS/PCS network	5.5 cents per occupancy minute

The charges in sections 9 and 10 above shall apply unless there is any applicable interconnection or relevant agreement between WTT and the FTNS or the PNETS or the PMRS/PCS operator concerned.

Notes:

1. “PNETS” refers to Public Non-Exclusive Telecommunication Services.
2. “FTNS” refers to Fixed Telecommunication Network Services.
3. “PMRS” refers to Public Mobile Radiotelephone Services. “PCS” refers to Personal Communication Services.
4. “Category B” refers to those countries or routes as classified by the Telecommunications Authority (TA) from time to time.
5. “HKT Gateway” refers to the international gateway of Hong Kong Telephone Company Limited, Hong Kong Telecom International Limited and Hong Kong Telecom CAS Limited jointly or severally.
6. Charges provided do not include any applicable line charges or any international call charges or any Universal Service Contribution charges or other charges as indicated.
7. Occupancy minute means the time measured over the interconnection line or circuit between the seizure of a circuit and the release of the circuit.
8. These charges are as per the Determination under section 36A of the Telecommunication Ordinance between the Networks of WTT and Hong Kong Telephone Company Limited dated 21 August 1998.

Clarification submitted to OFTA on 6 August 2004

For the avoidance of doubt, WTT’s existing tariff and associated terms and conditions as revised from time to time for interconnection and MNP charges for PMRS/PCS operators shall apply equally to Mobile Virtual Network Operators and Mobile Carrier Licensees (including 3G operators) until further notice.
