

**UNIFIED CARRIER LICENCE
TELECOMMUNICATIONS ORDINANCE (Chapter 106)**

WTT HK LIMITED (“WTT”)

T10A. Interconnection Charges for Mobile Services / Mobile Services (Restricted) / Unified Carrier (with provision of mobile service authorized) Licensees (“MNOs”)

Effective date: 22/05/09

Type of Calls	Charges (HK\$)
1. For all local calls originated from a MNO network and transited or terminated on WTT Network if the MNO is directly connected to WTT Network	30 cents per occupancy minute
2. For all local calls originated from a MNO network and transited or terminated on WTT Network if the MNO is indirectly connected to WTT Network	30 cents per occupancy minute

The above charges shall apply in relation to the type of calls referred to and shall override previous Tariffs of WTT for the same call types unless there is any applicable agreement between WTT and the MNO concerned. Any MNO, who directly or indirectly passes the type of calls referred to above to WTT Network, shall be deemed to have accepted the above Tariff.

T11. Mobile Number Portability (MNP) Service Charges

Effective date: 1/3/99, 6/8/04

11.1 MNP Per Subscriber Set-Up Service

PMRS/PCS ^(note 1) operators shall pay the following applicable charges to WTT for use of WTT’s mobile number portability Per Subscriber Set-up Service for facilitating each PMRS/PCS subscriber number porting request ^(note 2).

Charge: ^(note 3) (HK\$)	\$26.00 per subscriber number porting request
---	---

11.2 MNP Database Interrogation Service

PMRS/PCS operators shall pay the following applicable charges to WTT for use of WTT’s mobile number portability Database Interrogation Service for checking whether a PMRS/PCS subscriber number is ported or not:

	Type of calls	Charges ^(note 4) (HK\$)
(a)	Outgoing calls originated from a WTT customer line for termination on any PMRS/PCS network directly or indirectly connected to the WTT Network	2.53 cents per database interrogation
(b)	Incoming external calls received from any ETS ^(note 5) operator which uses the database interrogation service provided by WTT for termination on any PMRS/PCS network	2.53 cents per database interrogation
(c)	Calls originated from any PMRS/PCS network which uses the database interrogation service provided by WTT	2.53 cents per database interrogation

Notes:

1. “PMRS” refers to Public Mobile Radiotelephone Services. “PCS” refers to Personal Communications Services.
2. Requests for Database Per Subscriber Set-up Service will be processed in accordance with the Code of Practice Related to the Implementation of Mobile Number Portability and other subsidiary standards documents such as HKTA 2103, HKTA 2104 and MNP Document 3 issued by OFTA.
3. Charges will be charged for all processed requests for the service.
4. Charges will be charged for all call attempts utilising the service.
5. “ETS” refers to External Telecommunications Services.
6. Charges provided do not include other charges such as any applicable line charges, local access charges, international call charges, Universal Service Contribution or other charges as indicated.
