

**UNIFIED CARRIER LICENCE
TELECOMMUNICATIONS ORDINANCE (Chapter 106)**

WTT HK LIMITED (“WTT”)

T24. Charge for International Call Forwarding Service (“ICFS”)

Effective date:14/05/04

ETS operator which interconnects indirectly with a MNO/MVNO via WTT shall pay a charge of HK\$0.1586 per occupancy minute for each call, originally to a mobile number, forwarded to the ICFS provided by the ETS operator via “305-309” numbers or other number ranges allocated by the Telecommunications Authority (“TA”) for ICFS, as per the TA’s Determination on Terms and Conditions of Interconnection for ICFS dated 3 November 2003 (“Determination”).

Special terms and conditions:

1. The above charge is additional to any other applicable charges imposed by WTT and is subject to change at any time.
2. Occupancy minute means the time measured over the interconnection line or circuit between the seizure of a circuit and the release of the circuit, and includes both successful and unsuccessful calls.
3. ETS operator shall provide WTT with all call number ranges in multiples of 100 used for ICFS and give WTT at least 2 weeks prior written notice in respect of any change of call number ranges.
4. ETS operator shall provide, on a quarterly basis, ICFS traffic forecasts for each of the next 4 consecutive quarters.
5. Unless the context otherwise requires, all terms used herein have the same meanings as in the Determination.
6. The above service is subject to WTT’s General Terms and Conditions of Service as revised and published from time to time.
