WTT HK Limited (“WTT”)

W. Web-based Services

W1. Web Builder

Effective date: 24/03/10

(This Service will not be offered to new customers from 2013 onwards)

This Service provides a web application to help the Customer to create and manage websites.

The Service enables the Customer to host their website(s) and to store their web content (with designated storage space) on WTT servers. If the Customer's actual data transfer volume and/or storage as recorded by WTT exceed(s) the limit(s) stipulated in the Service Plan(s) subscribed by the Customer, additional charge(s) will be levied as follows without further notice.

Service Plan	Monthly Rental (HK\$)	Number of Web Page Included	Storage Size	Monthly Data Transfer Limit
Standard	\$ 150	1	50Mbps	5GB
Basic	\$ 500	5	300Mbps	5GB
Advanced	\$ 800	20	300Mbps	10GB
Professional	\$ 1,200	50	600Mbps	15GB

Additional Charge Items	Monthly Charge
Additional Storage	HK\$100 per 10 MB
Additional Monthly Data Transfer Limit	HK\$100 per GB

Optional Service Charge

Additional Setup Charge for Web Site Content	HK\$ 6,000
--	------------

W2. Web Hosting

Effective date: 24/03/10

This Service provides a web content storage for the Customer to upload their own web content to WTT's web server(s).

The Service enables the Customer to host their website(s) and to store their web content on WTT servers. The web hosting storage size will be limited to 10GB and the total web traffic volume of Customer's web site cannot exceed the data transfer limits (range from 1GB to 15GB per month) as stipulated in the plan(s) subscribed by the Customer. If the Customer's actual data transfer volume and/or storage as recorded by WTT exceed(s) the limit(s) stipulated in the Service Plan(s) subscribed by the Customer, additional charge(s) will be levied as follows without further notice.

Service Plan	Monthly Data Transfer Limit	Monthly Rental
Shared Web Hosting (80Mbps)	5GB	HK\$800

Additional Charge Items	Monthly Charge
Additional Storage	HK\$100 per 10Mbps
Additional Data Transfer Limit	HK\$100 per GB
Additional mySQL Database	HK\$100 per mySQL database
SSL Certificate Support	HK\$100 per IP address
