TELECOMMUNICATIONS ORDINANCE (Chapter 106)**

WTT HK LIMITED (“WTT”)

X. Conferencing Line Service

Effective date: 8/7/11, Revision date: 3/3/14

The Service provides basic voice service with a telephone set that supports the conferencing feature. Depending on the Customer location, the Service will be provisioned either with BusinessLine (Conferencing Line – D), Centrex (Conferencing Line – C) or SuperTone (Conferencing Line – P). To enjoy the Service, Customer is required to additionally subscribe to the Conference Calling service. Unless otherwise stated, the Customer must use the telephone set from WTT.

For clarity:

- “Conferencing Line – D” refers to the provisioning of BusinessLine - DEL together with a conferencing station telephone.
- “Conferencing Line – C” refers to the provisioning of Centrex together with a conferencing station telephone.
- “Conferencing Line – P” refers to the provisioning of DataNet – SuperTone Broadband Service (Premium) together with a conferencing station telephone.

The Service provides the Customer access to the following:

- Incoming and outgoing calls using the Network
- A directory number
- A free directory listing
- Local direct dialing
- International direct dial (“IDD”) service unless specific call barring options are invoked (call charges apply)
- General service restoration during WTT’s Business Hours
- Emergency 999 service access

Subject to the applicable tariff(s), terms and conditions, the Customer subscribing to the Service may also subscribe to the following services offered by WTT:

- 001/ 002/ 007 IDD services and IDD Call Plan, Diskette Billing and Authorization Code Billing
- Call Management services
- Call Answer or iVoiceMail service
- Change Number Announcement service
- Dual Access service

The following charges shall apply:

--	---------------

Note 1: The Customer requesting for Reconnection of Service disconnected must ensure that its registered name and the installation address of the Service are the same before and after the reconnection. Applications for Reconnection of Service disconnected will not be accepted after Service has been disconnected for 3 months or more.

Note 2: The actual amount of Usage Charge payable by the Customer will be calculated according to WTT's records and based on the minutes accrued between the seizure of a circuit and the release of the circuit.

Note 3: Caller Name Display will be available only for the Customer subscribing Conferencing Line – C or Conferencing Line – P.

WTT's General Terms and Conditions of Service as published and amended from time to time shall apply to the Service.

In addition to WTT's General Terms and Conditions of Service, the following special conditions will apply to the Service:

1. The provision of the Service is subject to WTT's Network coverage and the delivery lead time to the installation address.
2. Minimum subscription period for the Service is 3 months unless otherwise specified in the Order Confirmation.
3. The Customer shall not use the Service for any purposes not authorized by WTT or for any purposes that contravene the laws of Hong Kong and shall indemnify WTT for any losses or damages sustained.
4. The Customer shall be liable for any additional charges incurred due to regulatory changes or changes in interconnection charge arrangement between WTT and other service provider(s).
5. The Service does not support any lifeline devices and is not a telephone line-powered service.
